## About Socialbakers

With more than 300 employees located in 11 offices throughout the world, Socialbakers is the fastest growing social media and digital analytics company globally with customers in 100 countries representing every continent.

Defined by rapid product innovation and relentless dedication to customer success, Socialbakers has close connections with key social and digital companies like Facebook, Twitter and Google. Socialbakers is the only global solution that allows brands to measure, compare, and contrast the success of their social media campaigns with competitive intelligence. Recognizing the utility of Socialbakers' products, Facebook has awarded Socialbakers 3 Preferred Marketing Developer badges.

## Job Description

Do you enjoy looking for more effective solutions and trying something new? Come and join our Web Production team.

## Key Responsibilities

- > You would program various applications, daemons or scripts in PHP or JavaScript
- > You would be working with technologies like MySQL, NodeJS, MongoDB, RabbitMQ, Redis and others.

## Skills/Qualifications

- › Very good knowledge and experience with PHP
- › At least average knowledge of JavaScript
- › Previous experience with SQL or NoSQL database technologies
- › Experience in working with other developers
- › Framework experience (preferably Nette)
- › Good knowledge of design patterns, MVC, Dependency injection
- › At least basic knowledge of NodeJs
- › Knowledge of REST API is essential
- › Passive English, fluent Czech

## We offer

- › Work in new modern offices in Karlín with a great big terrace and our own grill
- › Very friendly atmosphere within young team
- › Agile and openminded culture
- › Possibility to learn new technologies and also bring your ideas
- › High level of flexibility
- › English courses
- › Chance to win in a ping-pong tournament or to enjoy the table football, Xbox, or even have a Yoga or running sessions with colleagues or trainings with kettlebells
- › Almost all year-round grilling parties and other smaller or bigger teambuildings
- › Workshops and meetings with various experts from the Czech market (Lunch@Learn session, Inspirational Evenings)
- › Open discussions with colleagues while beer tasting (or wine if you prefer :)
- › And others...it is definitely worth to meet with us!
